

```

<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Dropdown Navigation Menu</title>
  <link rel="stylesheet" href="styles.css">
</head>
<body>
  <nav>
    <ul class="menu">
      <li><a href="#">Home</a></li>
      <li><a href="#">About</a></li>
      <li class="dropdown">
        <a href="#">Services</a>
        <ul class="dropdown-menu">
          <li><a href="#">Web Design</a></li>
          <li><a href="#">SEO Services</a></li>
        </ul>
      </li>
      <li><a href="#">Contact</a></li>
    </ul>
  </nav>
</body>
</html>

```

Your task is to create a dropdown navigation menu using only HTML and CSS. Here's how you can do it:

## 1. Basic HTML Structure

```

<!DOCTYPE html>
<html lang="en">
<head>
  <meta charset="UTF-8">
  <meta name="viewport" content="width=device-width, initial-scale=1.0">
  <title>Dropdown Navigation Menu</title>
  <link rel="stylesheet" href="styles.css">
</head>
<body>
  <nav>
    <ul class="menu">
      <li><a href="#">Home</a></li>
      <li><a href="#">About</a></li>
      <li class="dropdown">
        <a href="#">Services</a>
        <ul class="dropdown-menu">
          <li><a href="#">Web Design</a></li>
          <li><a href="#">SEO Services</a></li>
          <li><a href="#">Marketing</a></li>
        </ul>
      </li>
      <li><a href="#">Contact</a></li>
    </ul>
  </nav>
</body>
</html>

```

## 2. CSS Styling (styles.css)

```
/* Basic Styling */
body {
    font-family: Arial, sans-serif;
    margin: 0;
    padding: 0;
    background-color: #f4f4f4;
}

nav {
    background-color: #333;
}

.menu {
    list-style: none;
    margin: 0;
    padding: 0;
    display: flex;
}

.menu li {
    position: relative;
}

.menu a {
    text-decoration: none;
    color: white;
    padding: 15px 20px;
    display: block;
}

.menu a:hover {
    background-color: #555;
}

/* Dropdown Menu */
.dropdown-menu {
    list-style: none;
    position: absolute;
    left: 0;
    top: 100%;
    background-color: #444;
    display: none;
    min-width: 150px;
}

.dropdown-menu li {
    width: 100%;
}

.dropdown-menu a {
    padding: 10px;
    display: block;
}

/* Hover Effect */
.dropdown:hover .dropdown-menu {
    display: block;
}
```

```
}
```

```
/* Dropdown Hover Effect */  
.dropdown-menu a:hover {  
    background-color: #666;  
}
```
